RE Membership Recognition

Dear Members:

The GPMC/NMC Charity Committee needs your assistance in identifying Alberta Local Union Members who are actively involved in assisting a charity within their community or have been actively involved in their community through volunteering.

Please connect with your Alberta Local Union Business Manager(s) regarding this initiative and complete the attached form identifying those individuals worthy of recognition for their services.

The Charity Committee will review all submissions and select one member to receive special recognition at the annual Edmonton Christmas Bureau event to be held later this year in Edmonton. A commemorative gift will be presented to the individual recognizing their significant contribution to their community/charity.

Please forward all completed submissions to Sheldon McKenna (smckenna@iuoe.org) and Leonard Day (Lday@smart-union.org.)

We thank you in advance for your assistance.

Regards,

Sheldon and Leonard
